

# Shattered

O.A.R.

In a way I need a change from this burnout scene  
Another time, another town, another everything  
But it's always back to you Stumble out in the night from the pouring rain  
Made the block, sat and thought, "There's more I need"  
It's always back to you But I'm good without ya  
Yeah, I'm good without you  
Yeah, yeah, yeah How many times can I break till I shatter?  
Over the line, can't define what I'm after  
I always turn the car around Give me a break, let me make my own pattern  
All that it takes is some time but I'm shattered  
I always turn the car around Had no idea that the night would take so damn long  
Took it out on the street while the rain still falls  
Push me back to you But I'm good without ya  
Yeah, I'm good without you  
Yeah, yeah, yeah How many times can I break till I shatter?  
Over the line, can't define what I'm after  
I always turn the car around Give me a break, let me make my own pattern  
All that it takes is some time but I'll shatter  
I always turn the car around Give it up, give it up, baby  
Give it up, give it up, now  
Now How many times can I break till I shatter?  
Over the line, can't define what I'm after  
I always turn the car around All that I feel is the realness I'm faking  
Taking my time but it's time that I'm wasting  
Always turn the car around How many times can I break till I shatter?  
Over the line, can't define what I'm after  
I always turn the car around Don't wanna turn that car around  
I gotta turn this thing around
