

# Hate To Love

**Shania Twain**

Midnight sky shining on my face  
I feel the waves embracing me  
I'm here to find some peace of mind  
Time and tide it waits for me, it waits for me, yeah  
So here I am again somewhere in between, hate to love  
Trying to find reality in a dream, hate to love  
I'm afraid to say I need someone like you, hate to love  
Oh, hate to love  
Faded photograph, a picture perfect love  
Locked inside this frame of mine  
Forgiving truth is the trust betrayed  
If time heals all that left me behind, it left me behind  
So here I am again somewhere in between, hate to love  
  
Trying to find reality in a dream, hate to love  
I'm afraid to say I need someone like you, hate to love  
Oh, hate to love  
Loneliness and innocence  
With you invade my heart  
I've learned to hate the truth of love  
It's tearing me apart  
So here I am again somewhere in between, hate to love  
Trying to find reality in a dream, hate to love  
I'm afraid to say I need someone like you, hate to love  
Oh, hate to love  
So here I am again somewhere in between, hate to love  
Trying to find reality
