Just Plain Fish

My Superhero

won't you come with me?
where the water meets the trees
won't you come with me?
we'll fish until we find the sea
we're going fishin' tonight
well i've got to know where to go
we're going fishin' tonight
we've been fishin' for a while
we've been fishin' with a smile
our fish will be there in a pile
we'll stock em' like a crockodile
get the net!
