

Everyday Girl

Peven Everett

I want an everyday girl
one to give me what I want, baby
 everyday girl
one to give me what I need, baby
 everyday girl
one to give me what I want, baby
 everyday girl
one to give me what I need, baby
 Everyday...girlyeah, uh, uh uh
 say you're the one for me luv
tell me what's your occupation baby
 How's about keeping in touch
maybe we could have a baby, lady
 this is a cure for me now
and I can feel a little closer to ya
 Oh how you changed my life
 oh yeah
 Come on and go with me, come
so you can meet my people, people
 we got a lot to catch up
the sooner we can be gone, we'll be home
 keeping each other warm
ain't nothing like a lay in the best way
 missing would be a shame
 oolaalaI want an everyday girl
one to give me what I want, baby
 everyday girl
one to give me what I need, baby
 everyday girl
one to give me what I want, baby
