

Roses On My Grave

Papa Roach

It feels like I'm looking at life
Through a telescope because I'm so high
And the ground never seemed so far away
Truth shall be told one day
I'll be underground one day I've got a woman that'll put roses on my grave
I've got a woman that'll put roses on my grave
Roses on my grave Feels like I'm looking at life
Through a telescope because I'm so high
And the ground never seemed so far away
Truth shall be told one day
I'll be underground one day I've got a woman that'll put roses on my grave
I've got a woman that'll put roses on my grave
I've got a woman that'll put roses on my grave
I've got a woman that'll put roses on my grave
Roses on my grave Don't forget me
Don't forget me
Please forgive me
Don't forget me It's my redemption, time for redemption
Time for redemption, it's my redemption
It's my redemption, time for redemption
Time for redemption I'll see you on the other side
I'm waiting on the other side
I'll see you on the other side
I'm waiting on the other side
