

# Hold It Don't Drop It

Jennifer Lopez

You don't know what you're doin'  
What you're doin' to me  
Tryin' to stop it, can't stop it  
'Cause you got what I need You got me all open  
And now you're tryin' to leave  
Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop it Every time I try to run  
Something keeps stoppin' me (oh keeps stoppin' me)  
I try my best to turn around  
But your touch won't let me leave  
Uh uh, yeah yeah I can't control it  
You put something inside of me, ooh  
'Cause you're a problem  
Boy, you must've poisoned me oh ho You don't know what you're doin'  
What you're doin' to me  
Tryin' to stop it, can't stop it  
'Cause you got what I need You got me all open  
And now you're tryin' to leave  
Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop it Boy, I must be buggin'  
Let you play those games I don't understand (oh I can't understand)  
I'll be the yo-yo on a string  
Goin' down I come right back to your hands  
Uh uh, that's right, uh I make excuses, but we keep on rockin' anyway ooh  
But it ain't workin', when I let you go you make me stay You don't know what you're doin'  
What you're doin' to me  
Tryin' to stop it, can't stop it  
'Cause you got what I need You got me all open  
And now you're tryin' to leave  
Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop it Don't let me (me) leave (leave)  
Control (control) of me (of me)  
You got what (you got what) I need (I need yeah)  
Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop it Won't let you go, can't let you leave  
I need your love inside of me  
You got control, control of me Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop it You don't know what you're doin'  
What you're doin' to me

Tryin' to stop it, cant stop it  
'Cause you got what I needYou got me all open  
And now you're tryin' to leave  
Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop itYou don't know what you're doin'  
What you're doin' to me  
Tryin to stop it, cant stop it  
'Cause you got what I needYou got me all open  
And now youre tryin' to leave  
Hold it, don't drop it, don't drop it  
Stop it, can't stop it, won't stop it
