

Play My Music

Jonas Brothers

(Music) Hey, turn on that radio
As loud as it can go
Wanna dance until my feet can't feel the ground
(Can't feel the ground) Say goodbye to all my fears
One good song, they disappear
And nothing in the world can bring me down
(Can bring me down) Hand clapping, hip shaking, heartbreaking, there's no faking
What you feel when you ride it home, yeah Music's in my soul
I can hear it every day and every night
It's the one thing on my mind Music's got control
And I'm never letting go, no, no
I just wanna play my music (Music) Got my six string on my back
Don't need anything but that
Everythin' I want is here with me So forget that fancy car
I don't need to go that far
And what's driving me is following my dreams, yeah Hand clapping, earth shaking, heartbreaking, there's no
faking
What you feel when you're on a roll, yeah, yeah Music's in my soul
I can hear it every day and every night
It's the one thing on my mind Music's got control
And I'm never letting go, no, no
I just wanna play my music
I just wanna play my music Can't imagine what it'd be like
Without the sound of all my heroes singing all my favorite songs
So I can sing along Music's in my soul
I can hear it every day and every night
It's the one thing on my mind Music's got control
And I'm never letting go, no, no
I just wanna play my music Music's in my soul
I can hear it every day and every night
It's the one thing on my mind Music's got control
And I'm never letting go, no, no
I just wanna play my music
I just wanna play my music
All night long
Yeah
