

Animal

The Acid

Woo-oo-oo Woo-oo-oo-ooooo (x4) I need your love
Pushing on my pride
I want your touch
Pressing on my hide Tell me, animal
Call it what you want
Push me in a ball
Tearing at the walls Woo-oo-oo Woo-oo-oo-ooooo (x4) Oh now come on
Put it on my pride
Taste like a storm
Let it come, it come Tell me, animal
Call it what you want
Push me in a ball
Tearing at the walls Woo-oo-oo Woo-oo-oo-ooooo (x4)
I need your love
Pushing on my pride Tell me, animal
Call it what you want
Push me in a ball
Tearing at the walls I need your love
