Perfect Man

Nastyboy Klick

Special dedication for all the ladies out there
In this whole world lookin' for that perfect man

(CHORUS)
When I was a lil' girl
I would sit & dream
Hopin' I would find
Find the perfect man
Now that I can see, true reality
Teardrops fill in my eyes
Cause there is no perfect man

It seems like everyone, in this world
Is lookin' for perfection
But how do we find somethin' that doesn't exist?
It don't exist, you know what I'm sayin'

I would give my life for you
No matter what the situation
Last days of hope, trails & tribulations
Frustrations killin' every woman & man
If you can see what I see
Then you might understand that
I could never be a perfect man, up in this chaos
A soul with a musical dream like armadias
I've given everythin' sweat, blood & tears
And made all vow to the Lord
To stay for a million years

I guess too much it's never enough
When the silence in our souls, begins to errupt
So forgive me girl, if I ruined your plans
I can only try, but never be a perfect man

(CHORUS)

Hey 11-98, God Bless me with the perfect baby girl
Such in a perfect world
I cried when she took her first breathe
Why God? When this world is filled with hate & disease

Most fought overseas & weather catastrophies
Fall into this new millenium, she'll be 1 1/2 too young to understand
And Lord know, this man & his lifes aren't perfect
My mistakes saw her learnin' points
Hopin' she can learn from them
So many caught up in the fast lane,
lovers of themselves greed or lust
her little hand guidance, man
her little heart, holdin' on my trust

I'm at awe with my destiny
I can't believe I'm staring @ God's master piece face to face,
You'll never understand how much you've changed this man
Who has to learn from scratch on how to raise a woman
Cuz if perfection is needed, I guarantee to be everythin' she dreams

(CHORUS)

It's been some time & me & you are still shinin'
Who'd imagine, it'll be you i'll be findin'
Someone so real, who took care of my heart
Anybody if they tried couldn't pull us apart
You were there from day 1, til this present time
Working hard for the money when I couldn't get mine
You should be the definition of what love really is
I know every man wishes their girl was like this
I put you through some things, best believe that I'm sorry
My love goes out to you, no one fits your category
You don't talk back, and respect what I say
Independent, strong woman, no time for child's play
Deserve more than I got & you still stick around
I'm not the perfect man, but for you I'll bow down.
I wanna be your man til the Lord takes us to the clouds.
Ain't no perfect man, but perfect women are around...

(CHORUS)
