

# Not Easy

## Alex Da Kid

It's not easy  
No, it's not easy  
It's not easy breaking your heart  
It's not easy  
No, it's not easy  
It's not easy breaking your heart We were two dumb kids  
Full of grand ideas  
We knew this would end from the start  
From the fire we burned  
You and I we learned  
It's not easy breaking your heart It's not easy  
No, it's not easy  
It's not easy breaking your heart  
It's not easy  
No, it's not easy  
It's not easy breaking your heart Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh We were two dumb kids  
Full of hopes and fears  
Growing further and further apart  
So you shook your head  
Looked at me and said  
"It's not easy breaking your heart." It's not easy  
It's not easy  
No, it's not easy  
It's not easy  
It's not easy breaking your heart  
It's not easy  
Not easy  
No, it's not easy  
It's not easy breaking your heart Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh  
Ooh, ooh, ooh, ooh We started small and conquered it all  
Came from nothing, but knew we would fall  
Some looked at us and said we would fall  
We tryna to do it big like no one done it before  
I remembered that hole in the wall

Twelve of us in the bus, we was all going hard  
Waiting for hard work to pay off  
They'll come and take your spot if you take a day offIt's not easy  
No  
No, it's not easy  
No, it's not easy  
It's not easy breaking your heart  
(I don't really wanna break your heart)  
It's not easy  
No, it's not easy  
It's not easy breaking your heart  
(I don't really wanna break your heart)Ooh, ooh, ooh, ooh  
(Yeah, it's Young Khalifa man)  
Ooh, ooh, ooh, ooh  
(I don't really wanna break your heart)  
(Gotta do what I gotta do)  
Ooh, ooh, ooh, ooh  
(To get where I'm going)  
(I don't really wanna break your heart)  
Ooh, ooh, ooh, ooh  
(Haha, ain't nothin' gon' stop that)  
(We just gon' keep going and going)  
Ooh, ooh, ooh, ooh  
(I don't really wanna break your heart)  
(I don't really wanna break your heart)(Haha, please don't ever show anyone that please...)
