## Hip Hop Pantsula

Jabba man, Thasman, with another lekwete, re wete  
(round and round we go...)

Okay... ke manyora, Dimitri, Ba itsi, Maxhoba(round and round we go...)Now who's got the beat thick, the neat  
kick

It can only be the first sick (Thasman!)

The sweet chicks, the deep licks

It can only be the sick (Gaz'lami!)

Snazz over them bars (Don't dare)

Wheel to you niggaz and your cars (Is right here)

Jabba's got you on the palm of my hands

Please try to honor a man's pack

Coz I got the whole crowd playing, rap deejaying

Dinganga le banyana all saying (Ho lo lo!!)

That's when Jabba man is praying that

In the limelight he's staying

Bago batlhapelwa ke bale they in, everybody is saying

At the party try to bring your own (Botlolo!!)

I got the whole crowd shaking

Which one of y'all will I be taking to the level of...

X3

Tswaka, tswa ... tswaka, tswaka X3

When we come around your town

We get down to the sounds of the...Jabba man, double H, P better than

All-o-dem, even the hip hop veterans

It's only now that I start to take the hints

Other thing, Jabba pack more tears than

Hot, no more tanga no more hunger

No more finding number no more thanga

Ka ithusa, ha ke sa dibala ho rusa

Seven years later tlabe Jabba man a sampa a di busa

We Maf-town pumping stadiums jumping

Guest in the back say something (Ho lo lo)

Yo the whole sets pumping

Speakers and the monitors thumping

Fede who's boots is stumping, dudes want nothing

Ka manyora ba go pusha (Sam sokolo!!)

Yo the whole crowd is shaking

Which one of y'all I'll be taking to the level of...
