You Have My Heart

Anthem Lights

My feet are on the ground
And my eyes look to the clouds
Cause I know my heart belongs to You
And the air I'm breathing in
Is hope I'm living in
Cause I know one day I'll be with YouAll I can see
All I believe
You have my heart
You have my heart
My Everything
My only need
You have my heart
You have my heart
Let it fade let it slip away
Let it go every past mistake
Cause I know Your love makes all things new
When it hurts I'll sing Your praise
Unashamed I'll bear Your name
Unafraid I'll give it all to YouAll I can see
All I believe
You have my heart
You have my heart
My Everything
My only need
You have my heart
You have my heart
You have my heart
You have my heart
Nothing can take this love away
Nothing can take this love away
Nothing can take this love away
You have my heart (You have my heart)Nothing can take this love away
(When my feet are on the ground)
Nothing can take this love away
(And my eyes look to the clouds)
Nothing can take this love away
(Cause I know my heart belongs to You)
You have my heart (You have my heart)All I can see
All I believe

You have my heart
You have my heart
My Everything
My only need
You have my heart
You have my heartWhen my feet are on the ground
And my eyes look to the clouds
Cause I know my heart belongs to You
