

# Let's Go All The Way (Album Version)

## Sly Fox

Sitting with the thinker, trying to work it out  
It's a traffic jam of the brain, makes you want to scream and shout  
Presidential party, no one wants to dance  
Looking for a new star to put you in a trance Let's go all the way  
Let's go all the way  
Yeah yeah yeah yeah yeah, let's go all the way Working in a factory eight days a week  
Try to make dollar, damn what a beat  
Cartoon capers happen in reality  
Rich man, poor man, living in fantasy Let's go all the way  
Let's go all the way  
Oh oh oh, let's go all the way  
Wow, thinker Yeah yeah yeah  
Living in New York, looks like an apple core (apple core)  
Asphalt jungle, got to be a man of war  
California dreamers sinking in the sand (the sand, the sand, the sand)  
The Hollywood squares are living in Disneyland  
Wee! Ho Let's go all the way (let's go all the way)  
Let's go all the way (let's go)  
Ah, we can make a better way  
Let's go all the way  
Go all the way  
Let's go all the way  
Yeah Na na na-na na na na na na na-na  
Na na na-na na yeah Submitted by Michael Hack
