She Burns

Joe Goddard

I can't believe what I've done
I only wanted some fun, some fun
I'm not young and I'm not foolish
I don't know quite what made me do thisAnd now I feel I have to run
Now I feel I have to run
And it feels like my heart's on fire
I should've shut my mouth and walked uprightShe burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
Oh, what a goose I have been
I'm burning outside and in, and in
I should've known I would not like it
I wish I thought before I tried itAnd all the warning signs were there
All the warning signs were there
And my tears won't douse this fire
I wish I shut my mouth and walked uprightShe burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
She burns, she burnsI can't believe what I've done
I only wanted some fun, some fun
I'm not young and I'm not foolish
I don't know quite what made me do this
And now I feel I have to run
Now I feel I have to run
And it feels like my heart's on fire
I should've shut my mouth and walked uprightShe burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
She burns, she burns
