

# Changes

## Black Sabbath

I feel unhappy  
I feel so sad  
I've lost the best friend  
That I ever hadShe was my woman  
I loved her so  
But it's too late now  
I've let her goI'm going through changesWe shared the years  
We shared each day  
In love together  
We found a wayBut soon the world  
Had its evil way  
My heart was blinded  
Love went astrayI'm going through changesIt took so long  
To realize  
And I can still hear  
Her last goodbyesNow all my days  
Are filled with tears  
Wish I could go back  
And change these yearsI'm going through changes
