

Umile

Amalevites

Umile ingunaphakade
Umile ingunaphakade

Wenzile izulu
Ngokuhlakanipha kwakho
Wandlal'umhlaba
Phezu kwamanzi
Wenza ilanga
Libuse emini
Inyanga nezinkanyezi
Zibuse zon'ebusuku

Umile ingunaphakade
Umile ingunaphakade

Wenza nomuntu
Ngomfanekiso wakho
Wamphefumulela
Ngomoya wakh'ongcwele
Wamenza ngokusabekayo
Nangokumangalisayo
Imisebenzi yakho
Iyamangalisa

Umile ingunaphakade
Umile ingunaphakade

Umile uhlel'ezulwini lakho
Umbethe amandla njengengubo
Amehlo akho avutha amalangabi
Izinwele zakho zimhlophe
Okoboya bezimvu
Ubophile ibhande legolide
Uyesabeka ubani onjengawe
Ingelosi ezulwini lakho
Zikhala kuwe zithi ungqwele
Izidalwa zona zilahli'imihele yazo phansi

Phakade
