## New Navy

Lovers often preach about the things
That they should keep in their head
We had not enough of other people
So we move into the water instead.
Now in the middle of the sea, on the boarders
We're watching the Earth
Is moving slow in a circle like canon
Buckle[Chorus]
I throw you into the water
To see if you can't swim to shore
I throw you into the water
Oh, hold on I see if you can't swim no more!Lovers often preach about the things
That they should keep in their head
We had not enough of other people
So we move into the water instead.
Now in the middle of the sea, on the boarders
We're watching the Earth
Is moving slow in a circle like canon
BuckleDistance between us grows, oh
Distance between us grows, oh
Distance between us grows, oh
Distance between us grows, oh, oh
Distance between us grows, oh
