Bust A Nut (feat. Uncle Luke)

The Notorious B.I.G.

Muthafucka, sometimes, you feel like a nutThat's what you do
What we got here, uh, check it out
Here's another one, uh, uh
By the Notorious B.I.G.
Head, head, and mo' head
Representing for the bitches
Head, head and mo' head
Check it out, check it out now, what
Check it out, check it out now
Check it out, check it out now, uh, uhI got a bitch that suck my dick 'til I nut
Spit it on my gut and slurp that shit back up
Ain't that a slut, (Hell yeah) she even take it in the butt
Fuck for about an hour, now she want a golden shower
You didn't know that we be pissing on hoes, bitch
Luke and Biggie straight shitting on hoes, bitch
Lick your toes bitch, fuck no, you must be crazy
Squirt in your face and then I'm swayze
Recognize G, straight up, I can't knock ya
After Big Poppa, fuck all of Junior M.A.F.I.A.
The whole clique, dick sucked, ass licked
Leave your number by the phone, bring your ass on home
I roam in Lexuses and Benzes, the fly way
With the flyest bitch getting head on the highway
My way, deep throat on Luke's boat
When the moon rises, I'm cuming in her eyes-es
Just the way playas play
Leave it up to me, I get fucked all day
Sucked all day, smoking blunts, counting cheese
Fucking bitches 'til they assholes bleed
What you say ba-bySometimes Biggie Smalls like busting nuts,
Sometimes Biggie Smalls like getting guts
Sometimes yours truly like busting nuts,
Sometimes yours truly like getting gutsI gotta fuck her in the butt snatch (Yeah!)

All the fellas in the house say this, "This head is so damn good"
Tell them hoes (This head is so damn good)
Now all the ladies in the house say, "This pussy it taste so damn good"
Tell them niggas (This pussy it taste so damn good)
Now all the fellas in the house say, say, "This dick it taste so damn good"

Sometimes Biggie Smalls like getting guts
Sometimes yours truly like busting nuts,
Sometimes yours truly like getting gutsBiggie bag bitches from barbecues to Barmitzvah's
The Big don't fit, use your lips 'cause
I'm feeling kinda itchy for a quicky
Don't take off your coat, all you got to do is lick me
Me eat you, I beat you, then greet you to the door,
Bitch, 'cause I don't love you no more
Which one of these hoes in the lobby want to slob me
You know me, I like my dick brown like Bobby
In the duke shoot, then the bitch get the boot
Unless you lick ass and blow dicks like flutes
I like 'em cute, round tits and fat asses
Educated, so I can bust off on they glasses
I want to cum on your tongue and gums, all night
The bitch drink nuts by the pintYo, yo check it out, come on
Now check, check, check, check it out, now
My pee-pee has a first name
It's D-I-see-K-why
My pee-pee has a best friend

Now what I really want to say

Is I hit it, eat it everyday
Now, before we go, we want to know
If all the ladies in the house is strictly-dickly
