Only the Lonely (Re-Recorded / Remastered)

The Motels

We walked the loneliest mile
We smile without any style
We kiss all together wrong
No intentionWe lie about each other's drinks
We live without each other
Thinking what anyone would do
Without me and youIt's like I told you
Only the lonely can playSo hold on here we go
Hold on to nothin' we know
I feel so lonely
Way up hereYou mention the time we were together
So long ago well I don't remember
All I know is it makes me feel good nowIt's like I told you only the lonely can play
Only the lonely only the lonely can playOnly the lonely only the lonely can play
It's like I told you only the lonely can play
Only the lonely
Only the lonely can play
