

# Rainbow (with G. Love)

Jack Johnson

Well I woke up this morning  
A rainbow filled the sky  
Yes I woke up this morning  
A rainbow filled the sky  
That was god telling me  
Everything's gonna be alright We so long good friends  
When will we meet again?  
I said so long good friends  
When will we meet again?  
Well I don't know, I don't know  
But I guess I'll see you then Well I'm gonna pack my old guitar  
Move on down the road  
I'm gonna pack my old guitar, now  
Move on down the road (where are you gonna go?)  
Oh, where I go I don't know  
But I guess I got's to go Well I woke up this morning  
A rainbow filled the sky  
Well I woke up this morning  
A rainbow filled the sky  
That was god telling me  
Everything, everything's gonna be alright
