

Over My Head

Black Country Communion

Hey

Hey

I am bound on a mission
And I'm just about to land
Turn on the sound and vision
Won't you take me by the hand

Now the fruit tastes sweeter
And I slowly start to breathe
I got my eyes on the meter
Gonna find my liberty

All alone
Steppin' stone
Symbolize on automatic
All ready to go

Over my head
It won't go away
And here I will stay
Over my head
Remake and unwind
It's all in my mind

Here come the change of the weather
Now you got me on a chain
Cross the line, white feather
In a whippin' hurricane

All alone
Steppin' stone
Crystallize, it's so dramatic
All ready to go

Over my head
It won't go away
And here I will stay
Over my head
Remake and unwind

It's all in my mind

Over my head
It won't go away
And here I will stay
Over my head
Remake and unwind
It's all in my mind

I just can't live without it
My faith will shout about it
Out in the blue is where I roam

Oh
The universe is waiting
But mother earth is fading
I want to get back to my home
Oh, oh, oh, yeah

Yeah, yeah

Symbolize on automatic
All ready to go

Over my head
It won't go away
And here I will stay
Over my head
Remake and unwind
It's all in my mind

Over my head
It won't go away
And here I will stay
Over my head
Remake and unwind
It's all in my mind

Hey
