The Worst Is Over

Karen Clark Sheard

Verse
The race is not given to the swift, nor given to the strong
But to the one that endureth, for God controls all
You may feel that life has given her best
And thereâ€™s nothing left to give
I speak over you, prepare for the rest
I stand and I decree..
The worst is over, and the best is yet to come..
(Repeat)
BGâ€¦Lead ad libs through out
Hard times will be worth it
Suffering will seem small
Trials, persecutions, God will repay for them all
Hold on, donâ€™t get weary
Keep trusting and decree
The worst is over and the best is yet to come
(repeat)
VAMP
(The worst) is over
(The best) Is yet to come
(Repeat as desired)
The worst is over
The worst is over, and the best is yet to come.
