Al B. Sure!

Well, in come a ting dem call a broken heart
Dis blessed love will neva part, it don't know it from da start
Me tell dem say a duty, eh
A Sean Paul and Sasha, come sing fo dem, bebe
Boy, you make me holler and you make me sweat
I can't get your tenderness
Still I can't get you off my mind
What is it about you, baby?
Just a naughty naughty love
I'm still in love with you, boy
Well I'm a hustler an' a player
And you know, I'm not a stayer
Dat's da naughty naughty love
I'm still in love with you, boy
Say girl, try to understand
Dat da man is just a man
Dat's da naughty naughty love
I'm still in love with you, boy
Blessed loving from da start
But you know we had to part
Dat's da way I give my love
I'm still in love
Yes, I'm still in love with you
But a man gotta do, what a man gotta do
Girl, well a never have to promise
And no bling bling fi hold you, girl
Well, a just the loving wit me
Fling fling control you, girl
And make you head swirl
And make you body twirl
And make you wanna be
My one and only, baby girl
Night after night, me give you love fi keep you warm
Gal you never get dis kinda lovin' from your man
I know you wan draw card, say me just can't perform
I love you, baby
A true a get da little lovin' and me gone

But a man gotta do, what a man gotta do, girl
A true me, give her thug love and say bye bye bye
Me turn around, she ask da question why why why
When me leaving let me see da gal cry cry cry
And it hurts my heart fi tell a lie lie lie
So don't cry no more, baby girl for sure
Just remember da good times we had before
