

Peace Is Just A Word

Eurythmics

Stop the world, turn out the sun
I'm so tired of it turning round
Stop the world, call it a day
Leave it all behind, leave it that way
Peace, is just a word, is just a word
Peace, is just a word, yeah
Stop the world, just let it bleed
Well, we've taken more than everything we need
Stop the world, just shut it down
(Just shut it down, shut it down)
(Just shut it down, shut it down)
There's no point in it spinning around
I tell you little peace, is just a word, is just a word
Everyday that peace, is just a word, yeah

Stop the world, take it any where
It's just that, living here is more than I can bear
(More than I can bear, ooh)
Stop the world, just pack it in
Well, we've reached the point, where no one ever wins
No one ever wins
Peace, is just a word, it's just a word
Peace, is just a word, it's just a word
Peace, is just a word, it's just a word
Peace, is just a word, it's just a word
Peace, is just a word
Peace, is just a word
Peace, is just a word
