

# Red Roses

## Jack Grelle

There you are  
With your light brown hair  
Apologize 'cause all that I did was stare  
And no I'm not a creeper I swear that I'm a keeper  
I'm just glad you noticed that I was thereI got your name but I didn't get your number  
So now I'm filled with all this regret and wonder  
Would you wanna see me  
And would you wanna kiss me  
I'm getting way ahead of myself  
But I can't get you off of my mind  
No I can'tI wish I would've asked you out  
I wish I didn't have these doubts about myself  
For those 3 minutes that you stood in front of me  
I wish I hadn't walked away  
I wish I had the guts to say  
Would you be my  
I wish I would've asked you to be my valentineSo I had one more chance  
To gather my thoughts and just spit it out  
But now I've missed the moment  
So now I'd never know if  
You'd say yes to the question I askSo now I'm here  
Without you I'm crushed 'cause I got these roses  
These red roses and god knows that  
I'd have given them to you  
But I can't get you off my mind  
No I can'tI wish I would've asked you out  
I wish I didn't have these doubts about myself  
For those 3 minutes that you stood in front of me  
I wish I hadn't walked away  
I wish I had the guts to say  
Would you be my  
I wish I would've asked you to be my valentineI hope that you notice  
That I'm still paintin' roses  
Or should I let this all goI wish I would've asked you out  
I wish I didn't have these doubts about myself  
For those 3 minutes that you stood in front of me  
I wish I hadn't walked away  
I wish I had the guts to say  
Would you be my

I wish I woulda asked you to be my valentine  
Ooh Be my valentine  
Oh yeah  
Would you be my valentine  
Oo oo  
Would you be  
Would you be  
I wish I woulda asked you to be my valentine
