

# That's Enough Out Of You

**Teddy Thompson**

Hey now  
That's enough out of you  
I get tired  
Just watching your jaw move People that talk this much  
Have nothing to say You're so up there  
It brings me down  
I wanna turn your smile  
Into a frown Being happy is easy if you're dumb And I've tried to get you out of my life  
But you seem to enjoy being used  
I've lied cheated been unkind  
What else can I do? And living in your world must be fun  
With no idea what's going on  
Just thinking you're the bomb!
