

Arrows in the Dark (feat. Anjulie)

Cash Cash

Maybe I'm a fool, I let you go
They say yes, but I say no
Maybe you can tame my wicked heart
I keep shooting arrows in the dark Je ne t'aime pas I like the way you talk to me, I like the way you smile
I like the way you open doors and go the extra mile
I love the way you kiss me, I love the way you rage
I love the way you let loose like a tiger in a cage Mother says you're an angel, my father says you're the one
The apple of their eye, the prodigal sign
All my friends wanna fuck you, every boy and every girl
But I can never love you for all the money in the world Je ne t'aime pas
Maybe I'm a fool, I let you go
They say yes, but I say no
Maybe you can tame my wicked heart
I keep shooting arrows in the dark Je ne t'aime pas I love the way you treat me, you always pay for food
And you don't really mind it when I tell you what to do
Got the body of a god, a temper of a lamb
Hot like an ocean, but I'm playing in the sand You're perfect on paper, but I don't like to read
I should really want you, but you're not what I need
All my friends wanna fuck you, every boy and every girl
But I can never love you for all the money in the world Maybe I'm a fool, I let you go
They say yes, but I say no
Maybe you can tame my wicked heart
I keep shooting arrows in the dark
I keep shooting arrows in the dark Je ne t'aime pas Maybe I'm a fool, I let you go
They say yes, but I say no
Maybe you can tame my wicked heart
I keep shooting arrows in the dark Je ne t'aime pas
I keep shooting arrows in the dark
Je ne t'aime pas
I keep shooting arrows in the dark
Je ne t'aime pas
