

No One Likes Superman Anymore

I Fight Dragons

Strong hands, strong mind
Strong all the time
Straightforward and kind
Too simply defined
Cause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
We're all older now
And we don't need someone to care about
The innocence we left behind
Don't touch that dial
Its just that goodness is out of style
Beat dark, beat cold
(So conflicted)
No hand to hold
(Heart constricted)
Dark knight bright soul
(We're addicted)
No room here for the bold

Cause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
We're all older now
And we don't need someone to care about
The innocence we left behind
And what if he can fly?
Hey well so can I
Jet Blue or United Airlines
And who cares if he's strong?
All we see's the wrong we've done
Reflected in his eyes
Cause no one wants to know
The man who stands for things we outgrow
He's too noble and too blind
We're all older now
And we don't need someone to care about
The innocence we left behind
Cause no one wants to know

The man who stands for things we outgrow
He's too noble and too blind
