Seattle Rain

Pop Evil

A gray sky so comfortable, whisper goodbye
But every time I only hear good night
Take back the colorful
Strip down to only black and white
The shades of yesterday
Is coming back, is coming back againMove along, the weather's changing
Won't you take me home and carry me away
Winter's gone, the clouds are fading
The sun might shine, but still it's not the same
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rainBeyond the satellites, I look for you beneath the stars
I'll find you in the end
We were meant to collide, so many times I've gone too far
I thought I lost a friend
I'm coming back, I'm coming back againMove along, the weather's changing
Won't you take me home and carry me away
Winter's gone, the clouds are fading
The sun might shine, but still it's not the same
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rainMove along, the weather's changing
Won't you take me home and carry me away
Winter's gone, the clouds are fading
The sun might shine, but still it's not the same
Let it rain
Let it rain
Let it rain
Let it rain

Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
Let it rain
