How Long

Donny Osmond

How long has this been goin' on?
How long has this been goin' on?Well, if friends with their fancy persuasions
Don't admit that it's part of a scheme
Then I can't help but have my suspicions
I'm not as dumb as I seemJust said you never intended
To break up our singing this way
But there ain't no use in pretendin'
It could happen to us any dayHow long has this been goin' on?
How long has this been goin' on?Oh, your friends with their fancy persuasions
Don't admit that it's part of a scheme
Then I can't help but have my suspicions
No, I'm not as dumb as I seemYou said you never intended
To break up our singing this way
But there ain't any use in pretendin'
It could happen to us any day, oh, tell meHow long has this been going on?
How long has this been going on?
How long has this been going on?
