

# War of the Gods

## Derdian

War, the very first war of our world,  
When the treacherous witch was killed  
Three times burned and three times born,  
By searing flames was Gullveig torn.  
Death, Odin hurled his spear off with great force  
Deep into the great vana-fyrd  
battle horns gave up their sound  
And Asgard walls razed to the ground.  
The Vanir felt deceived
