

# A Woman's Got Ways

Johnnie Bassett

A Womans Got Ways Johnny Bassett

A womanâ€™s got ways  
To make a man lose his mind  
So when you ainâ€™t thinking straight  
And youâ€™re walking half blind  
While she leaves you around  
Itâ€™s a crime and a pity  
But a womanâ€™s got ways yeah  
You know, a womanâ€™s got ways  
A womanâ€™s got charms  
And a sweet silver voice  
But when she gets her hooks in you  
Boy, you ainâ€™t got much choice

Sheâ€™ll treat you tough and your money  
And leave you half crazy versuri.us  
Butâ€™ll love every minute  
Cause a womanâ€™s got ways  
A womanâ€™s got something  
That every man craves  
And it gives her the power  
To make us all slaves  
That â€™s the rule of the game, son  
You lose if you canâ€™t play  
You canâ€™t beat the system, buddy,  
Cause a womanâ€™s got ways  
When God made woman  
He makes fools out of men  
When you make one mistake, man  
Youâ€™ll soon make it again.
