

Stars Over Texas (Re-Recorded)

Tracy Lawrence

As you lie in my arms, girl, my heart's on my sleeve
Words come so hard in moments like these
There's feelings I have that are so hard to show
But right now there's one thing I want you to know
As long as the tides ebb the earth turns, the sun sets
I promise Ill always be true
And as long as there's stars over Texas
Darling, Ill hang the moon for you
I know I have stumbled and caused you some tears
When you needed me most I havent always been here
I know Im not always the man I should be
But dont ever wonder what you mean to me
As long as the tides ebb the earth turns, the sun sets
I promise Ill always be true
And as long as there's stars over Texas
Darling, Ill hang the moon for you
