

Witchburners

Demonoid

Murders in the name of Christ
A heavy guilt upon mankind's shoulders
Genocide, torture and rape
Jehovah's name blessed with bloodBad seeds, only wicked will breed
Inspirations came from the Holy Bible
The centuries of this organized kill
Spewed out from morbid religionsWitch, tortured to confess
Witch, in flames you were burnt
Witch, your innocent blood
Witch, by Christians was spilledWitch, tortured to confess
Witch, in flames you were burnt
Witch, your innocent blood
Witch, by Christians was spilledChurch of Christ forever marked
Your people all to be doomed
By joining you in heritage guilt
May it way hard on your shouldersYou await the final day
Sinners to burn in purgatory
You'll be surprised who will burn
Soldiers of Christ, now it is your time to burnWitch, tortured to confess
Witch, in flames you were burnt
Witch, your innocent blood
Witch, by Christians was spilledWitch, tortured to confess
Witch, in flames you were burnt
Witch, your innocent blood
Witch, by Christians was spilledMurders in the name of Christ
A heavy guilt upon mankind's shoulders
Genocide, torture and rape
Jehovah's name blessed with bloodWitch, tortured to confess
Witch, in flames you were burnt
Witch, your innocent blood
Witch, by Christians was spilledWitch, tortured to confess
Witch, in flames you were burnt
Witch, your innocent blood
Witch, by Christians was spilled
