

# Out Of The Blue

Debbie Gibson

Without you, without you  
I always thought that everything was fine  
Without you, never knowing you'd be mine  
Suddenly my world has changed  
And I just wonder why  
All it took was just one smile  
Now with you, out of the blue  
Love appeared before my eyes with you  
A dream come true  
I never thought I'd realize what love was  
What love was, what love was  
I need you, oh, I need you  
And everyday I love you more and more  
Without you I know what it's all for  
Suddenly I see you there and everything's okay  
Don't know why I feel this way  
Now with you, out of the blue  
Love appeared before my eyes with you  
A dream come true  
I never thought I'd realize what love was  
What love was, what love was, here with you  
We are together now  
Never take my heart away  
All the love I found  
Is here to stay  
It's like a dream come true  
I never thought I'd fall in love with you  
Out of the blue  
Love appeared before my eyes with you  
A dream come true, I never thought  
Here with you, out of the, out of the  
Out of the, out of the clear blue  
Oh, it's like a dream come true  
I never thought, I never thought  
Out of the blue  
Before my eyes with you  
A dream come true  
I never thought I'd fall in love with you  
Out of the, out of the

Out of the, out of the clear blue
