## **Underdog**

## The Dirtbombs

She?s an underdog, lives next door to me She?s always heard, you won?t amount to anything And it kills me to watch the agony beyond her eyes Tragic the way people pass her by but now I realize That everyone sees her but nobody knows her She screams in her pillow for a better tomorrow She hates it but she takes it, watch out for that girl One day she may change the world She?s original, never trying to fit in She?s got a way to always go against the grain Oh yeah, someday they?ll see how beautiful she really is I know the last will be the first, the tables gonna turn 'Cause everyone sees her but nobody knows her She screams in her pillow for a better tomorrow She hates it but she fakes it, watch out for that girl One day she may change the world

Maybe she?ll be in a movie
Maybe she?ll be in a song, yeah
Better pay her some attention
Before she?s gone
She?s an underdog, yeah
She means the world to me, yeah
Everyone sees her but nobody knows her
She screams in her pillow for a better tomorrow
She hates it but she makes it, watch out for that girl
One day she may change the world
And everyone sees her but nobody knows her
She screams in her pillow for a better tomorrow
She hates it but she makes it, watch out for that girl
One day she may change the world
