

# Real (feat. Pharrell)

## The-Dream

See I could give a fuck what a nigga think  
As long as I keep poppin' bottles of that drank  
And I could give a fuck what a nigga do  
As long as I got roly's on my whole crew  
You think I give a fuck fa nigga look at my truck  
Matter fact look at my girl.  
Look at my benz mother fucker look at my friends  
All us nigga's got ends  
Look at my shit nigga look at my watch  
Look at my mother fuckin' drop  
Look at my yacht boy stop  
Look at all the shit you ain't got  
This shit real nigga  
The shit real in the field  
Real nigga now leave it in the will  
Shit real nigga

I'm up in the red one  
I thought you said something  
Diddy on the phone  
Nigga get your swagger right  
J told me to drop it on your head  
Swagger tight  
Nigga spending money like I just won a settlement  
Ever seen a nigga buy a porche on the internet  
Ever seen a nigga buy a house from the toilet  
Add a boat to the cart  
Click yes  
Bought it  
So nigga stop actin' like we don't know killa's too  
Fuckin' with my money like I don't know gorillas too  
Chris told me get my money  
Get the fuck out up thie trap  
And that was 99' and I ain't looked back  
And jason said hit him if I ever had a problem  
Don't worry about it come through he will solve em'

Just pay for the lawyers  
Nigga fuck them charges See I don't give fuck what a nigga think  
As long as I keep poppin' bottles of that drank  
And I could give a fuck what a nigga do

Matter fact look at my girl  
Look at my benz mother fucker look at my friends
