## Small Faces

Marriott-Lane One and-a two and-a three and-a four and-a  
This feeling of spring like the wing of a bird that is flying,  
The nights they go cold as my mind does go old and I'm looked at,  
A Inspected, hated, accepted  
The wise men they wrangle, their minds look for angles and meaning (meaning!),  
But the ceiling is light as I glide through the night and I'm leaving,  
Living, being, mmm - mmm - mmm
