films will come and films will go
that kiss on your neck wont show
posing at the same place everytime
we'd be steping this weekend in the sunshine
watching tv at 4am, thats not when she needs a friend
staring at the bathroom floor
please dont say you've got to go
posing at the same place to put things right
we'd be realizing we'd be meeting in the morning light
you've done it again, you've done it before
that kiss on your neck wont show
watching tv at 4am, thats not when she needs a friend
staring at the bathroom floor
please dont say you've got to go
watching tv at 4am, thats not when she needs a friend
loose change from your pocket on the floor
please dont say you've got to go

cheap thrills that this time like last
cheap thrills that you'll dream about
you've done it again, you've done it before
that kiss on your neck wont show
watching tv at 4am, thats not when she needs a friend
staring at the bathroom floor
please dont say you've got to go
watching tv at 4am, thats not when she needs a friend
loose change from your pocket on the floor
please dont say you've got to go
