Jesus, Savior

Doug & Deb

The nail-scarred hands, the pierced side.
The crown of thorns on His head that should be mine.

An offering (an offering) Salvation, full and free.
His blood was shed and peace was made on that tree.

Jesus (Jesus), Savior,
The Lamb of God, crucified that we might live.
Blessed (Blessed Redeemer) Redeemer,
Endless mercy, grace and love, You freely give.

By Your stripes, we are healed, by Your stripes, we are free!
You are Lord (You are Lord).
By Your stripes, we are healed, by Your stripes, we are free!
â€˜cause You are Lord (You are Lord).
By Your stripes, we are healed, by Your stripes, we are free!
â€˜cause You are Lord!

An empty grave, the stone was rolled away.
A promise made, the Son of Man would rise again.

Jesus (Jesus), Savior,
The Lamb of God, crucified that we might live.
Blessed (Blessed Redeemer) Redeemer,
Endless mercy, grace and love, You freely give!
