

Behind The Smile

[Rick Astley](#)

Behind the smile that I portray
I am saddened every day
My eyes are sore with endless nights of cryin'
I hope that you don't feel this way
My heart fills with tears when you pass me by
You won't look me in the eye
Don't you think that it's a cryin' shame
We must play these silly games
The pain in my heart that shows we're apart
Is growin' stronger day by day
Behind the smile that I portray
I am saddened every day
My eyes are sore with endless nights of cryin'
I hope that you don't feel this way
If you think that I have done you wrong
I won't try to change your mind
But try to think of the love that we once had
And maybe things won't seem so bad
The memories of those times are vivid in my mind
And yet they slip away as time goes on
Take me back tonight
Hold me close and tight
Forever I will be true
I'll love only you
Behind the smiles that we portray
There is nothin' hidden away
Our eyes are sore because we are cryin'
I hope we'll always feel this way
