Do I Have the Time

Jessica Lea Mayfield

Do I have the time to do the things
I wanna do when your away?
Do I have the time to do the things
I wanna do when your away?
Our friend had a vision his girlfriend did too
He's seeing other women and she's seeing women too
Now that's all fine for him and her, and her and her too.
But everything I need in someone lives inside of you
So if you don't see what you need in me then let me know
Let me know so I can let this chair beneath me go
Do I have the time to do the things
I wanna do when your away?
Do I have the time to do the things
I wanna do when your away?
If you think you'll miss me
Then resuscitate me
My mouth is turning blue
It tastes like blood and barbecue
So if you don't see what you need in me then let me know
And if you don't see what you need in me then let me know
So if you don't see what you need in me then let me know
Do I have the time to do the things
I wanna do when your away?
Do I have the time to do the things
I wanna do when your away?
