

Fulcrum

I'm afraid I will never change
 It's okay I am not ashamed
 I can say that my bed is made
 You can bend me, shape me any way You can bend me, shape me any way you want me I maintain, I am not in
 pain
 How I try, not to place the blame
 I came late to an early game
 You can bend me, shape me any way
 You can bend me, shape me any way
 You can bend me, shape me any way
 You can bend me, shape me any way you want me When I was five, I took a dive
 When I was ten, I walked again
 When I was fifteen, I kept my motor clean
 When I was twenty, I got plenty When I was twenty-five...
 When I was twenty-five...
