My Helper

Paul Nwokocha

Yeah
Come on...
This is the new face of Paul Nwokocha, featuring Chikodi Okpara
Oh yeah...
My God is a Helper

There is something that makes me come into your presence, my Helper
There is something that makes me come into your presence, my Helper
I have seen the reason why I will praise your name Jehovah, my Helper

There is something that makes me come into your presence, my Helper

My Helper eehh, my Helper
My Helper eehh, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eeh hehi, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eehh, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh in the time of trouble
My Helper eehh in my difficulties
There is something that makes me come into your presence, my Helper
My Helper eehh when my friends run away
My Helper eehh when no money is to be found
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eehh, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper

My helper eeh hehi, my Helper
There is something that makes me come into your presence, my Helper

There is a reason why I will praise
Your name Jehovah, You are my Helper
There is something I remember to give
You on this praises Lord, You are my Helper

When there was no one,

I bend down to pray to You Almighty God, You are my Helper
You let me know that when I hear your voice
Saying, 'My son, cry no more', you are my Helper

My Helper eehh, my Helper
My Helper eehh, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eeh he hei, my Helper

There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eehh, my Helper
There is something that makes me come into your presence, my Helper

Oh yes... yeah
I need a right helper but no one could help me
Lord You came, and became my Helper
I needed a friend, all my friends ran away
You came and became my friend

Lord, that's the reason why I love to come
Into your presence just to give you thanks
Cos' a friend in need is a friend indeed oh
You are my best friend Lord
I will praise You

My Helper eehh, my Helper
My Helper eehh, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eeh heiye, my Helper
There is something that makes me come into your presence, my Helper
My Helper eehh, my Helper
My Helper eeh heiye, my Helper
There is something that makes me come into your presence, my Helper
