I Ain't Scared Of Lightning

Tom McRae

I ain't scared of lightning
Come on and do your worst
If they gave degrees
For cheating destiny
Then man
I got a firstNo I ain't scared of lightning
It's the same old empty threat
I've been standing proud
Beneath the gathering cloud
And man
I ain't dead yet
No I ain't scared of lightning
And thunder never killed
I was born in a summer storm
I live there still
Yeah I was born in a summer storm
I live there still
