

Go The Distance

Michael Bolton

I have often dreamed of a far off place
Where a great warm welcome would be waiting for me
Where the crowds will cheer, when they see my face
And a voice keeps saying, this is where I'm meant to be
I will find my way, I can go the distance
I'll be there someday, if I can be strong
I know every mile, will be worth my while
I would go almost anywhere to feel like I belong
Down an unknown road to embrace my fate
Though that road may wander, it will lead me to you
And a thousand years, would be worth the wait
It might take a lifetime, but somehow I'll see it through
And I won't look back, I can go the distance
And I'll stay on track, no, I won't accept defeat
It's an uphill slope, but I won't lose hope
Till I go the distance, and my journey is complete
But to look beyond the glory is the hardest part
For a hero's strength is measured by his heart
Like a shooting star, I will go the distance
I will search the world, I will face its harms
I don't care how far, I can go the distance
Till I find my hero's welcome, waiting in your arms
I will search the world, I will face its harms
Till I find my hero's welcome, waiting in your arms
