

# Through the Fire

## The Crabb Family

(Verse 1)

So many times I question the certain circumstances  
and things I could not understand.

Many times in trials my weakness blurs my vision  
that's when my frustration seems gets so out of hand.

It's then I am reminded, I've never been forsaken.

I've never had to stand one test alone.

That's when I look at all the victories, the Spirit rising up in me.

And It's through the fire my weakness is made strong.(Chorus)

He never promised that the cross would not get heavy  
and the hill would not be hard to climb.

He never offered victories without fighting but

He said help would always come in time.

Just remember when you're standing in the valley of decision  
and the adversary says give in, Just hold on.

Our Lord will show up (YES)

and He will take you through the fire again(Bridge)

I know within myself that I would surely perish

If I trust the hand of God, He'll shield the flame again,again!.(Chorus)

He never promised that the cross would not get heavy  
and the hill would not be hard to climb.

He never offered victories without fighting.

He said help would always come in time.

Just remember when you're standing in the valley of decision  
and the adversary says give in, Just hold on.

Our Lord will show up (YES)

and He will take you through the fire again
