## **Big God/Raped Souls**

## **Fear Factory**

In America today, Every 25 fucking Seconds someone Is viciously raped, Someone is Brutally violated; 250 times a day, Someone is murdered, Someone's life is taken, In America; This is America, This is America, And I love America, I love America!

No remorse for the pain Look into the eyes of death Strong man cannot endure Big god of this earth

> Liar! Big god, no god!

Take back this life Give back this world "Woe to you Of earth and sea" Big god will always be

> Liar! Big god, no god! Burn!
