Silent All These Years

Tori Amos

Excuse me, but can I be you for awhile?

My dog won't bite if you sit real still

I got the Anti-Christ in the kitchen yellin' at me again
Yeah, I can hearBeen saved again by the garbage truck
I got something to say, you know, but nothing comes
Yes, I know what you think of me, you never shut up
Yeah, I can hear thatBut what if I'm a mermaid
In these jeans of his with her name still on it
Hey, but I don't care 'cause sometimes

I said, sometimes I hear my voice And it's been here silent all these yearsSo you found a girl who thinks really deep thoughts

What's so amazing about really deep thoughts

Boy you best pray that I bleed real soon

How's that for thought for you? My scream got lost in a paper cup

You think there's a Heaven where screams have gone

I got 25 bucks and a cracker, do you think it's enough?

To get us there 'Cause what if I'm a mermaid

In these jeans of his with her name still on it

Hey, but I don't care 'cause sometimes

I said, sometimes I hear my voice

And it's been here silent all these Years go by, will I be waiting

For somebody else to understand

Years go by, if I'm stripped of my beauty

And the orange clouds raining in my headYears go by, will I choke on my tears

Till finally there is nothing left

One more casualty

You know we're too easy, easy, easy Well I love the way we communicate

Your eyes focus on my funny lip shape

Let's hear what you think of my now

But baby don't look up, the sky is falling Your mother shows up in a nasty dress

It's your turn now to stand where I stand

Everybody lookin' at you, here take hold of my hand

Yeah, I can hear themBut what if I'm a mermaid

In these jeans of yours with her name still on it

Hey, but I don't care 'cause sometimes

I said, sometimes I hear my voice

I hear my voice, I hear my voice

And it's been here silent all these years I've been here silent all these years

Silent all these, silent all these years
