

Baewatch...

Anthony Lewis

[intro]

Homie, this song's for you, yeah

You know who you are Ain't nobody but my bae, (can get me) get me like that

Aye my bae, ain't nobody like my bae[Verse 1: Anthony Lewis]

My house, my cars, my money, my heart

If you want it, it's yours

I'll give it all to you, ooh

The way you do it in a sundress

Like you tryna win a contest (oh yeah)

It's even better when you undress

Gotta make you my mistress[Bridge]

Blowin' up my phone

It's the kind of shit I don't need

Better than them all

You belong with me, yeah

Hair tied sweatpants on

Lookin' like the cover of a magazine, yeah

If it's your birthday, the cake on me like Rih Rih

I'm on that baewatch[Chorus]

(yeah,yeah) Got me lookin for you, baewatch

Really try to find that, better than anything else, baewatch

[Girl where you at?

Where you at? Where you at?

Baewatch (x2)]

Ain't nobody but my bae (get me like that)

Aye my bae, ain't nobody like my bae[Verse 2: Anthony Lewis]

Everywhere I go, ooh she with me

They be all on me but I don't fuck with em ooh no

There's no other but you

With you on my arm

Oh girl I kill em all

The way that you get me right, get me right[Bridge]

Blowin' up my phone

It's the kind of shit I don't need

Better than them all

You belong with me yeah

Hair tied, sweatpants on

Lookin like the cover of a magazine, yeah

If it's your birthday, the cake on me like Rih Rih

I'm on that baewatch[Chorus]
(yeah,yeah) Got me lookin for you, baewatch
Really try to find that, better than anything else, baewatch
[Girl where you at?
Where you at? Where you at?
Baewatch (x2)]
Ain't nobody but my bae (get me like that)
Aye my bae, ain't nobody like my bae (baewatch)[Verse 3: Anthony Lewis]
I know when I see her face yeah
(there goes my bae)
Ima call her out, take her straight to the crib yeah
Take her home yeah
And we gonna get it in like it's a party
Celebrate all over her body
It's bout to go down girl, I'm talkin lobby
I'll show you what I'm searchin' for
I'm on that baewatch[Chorus]
(yeah,yeah) Got me lookin for you, baewatch
Really try to find that, better than anything else, baewatch
[Girl where you at?
Where you at? Where you at?
Baewatch (x2)]
Ain't nobody but my bae (get me like that)
Aye my bae, ain't nobody like my bae
